**ANNUAL REPORT OF NATIONAL SERVICE SCHEME**

**(2021-2022)**

### **INTRODUCTION:-**

National Service Scheme (NSS) , a voluntary and value based student youth programme is one of the major youth scheme being operated in the ministry of youth affair and sports. The scheme was launched with a primary objective of developing the personality and character of the student youth through voluntary community service. It was launched on 24<sup>th</sup> September 1969, during the birth century celebration of Mahatma Gandhi

### **OBJECTIVES:-**

The overall objective of NSS is Personality Development through the community service. The broad objectives of NSS are to:

- Understand the community in which they work.
- Understand themselves in relation to their community.

**SHRI TULJABHAVANI COLLEGE OF ENGINEERING,  
TULJAPUR**

- Identify the needs and problems of the community and involve them in problem solving process
- Develop among themselves a sense of social and civic responsibility
- Utilize their knowledge in finding practical solution to individual and community problems.
- Develop competence required for group-living and sharing of responsibilities,
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and democratic attitude.
- Develop capacity to meet emergencies and natural disasters.
- Practice national integration and social harmony.

**SHRI TULJABHAVANI COLLEGE OF ENGINEERING,  
TULJAPUR  
NSS**

**MOTTO:-**

The motto or watchword of the NSS is "Not me but you". It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This expresses the essence of democratic living and upholds the need of selfless service and appreciation of the other man's point of view and also consideration for fellow human beings

**SYMBOL:-**

The symbol of the National Service Scheme has been based on the Giant Rath Wheel of the world famous Konark Sun Temple of Orissa, India. This giant wheel of the sun temple portrays the cycles of creation, preservation and release and signifies the movement in life across time and space. The design of the symbol, a simplified form of the Sun Chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and enlistment

**SHRI TULJABHAVANI COLLEGE OF ENGINEERING,  
TULJAPUR  
NSS**

**BADGE:-**

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any programme or community service. The Konark wheel in the symbol has **eight bars**, which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for the service of the nation round the clock i.e. for 24 hours. The Red Colour in the badge indicates that the NSS volunteers are full of young blood i.e. lively, active, energetic and full of high spirit. The Navy Blue Colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

**NSS SONG:-**

During Silver Jubilee Year 1994 the NSS theme song has been composed. All NSS volunteers are expected to learn the theme song and sing the song during NSS program and celebrations.
